Kelburn Banker Royal

1947 International Grand Champion Bull

Those who attended the 1947 International will never forget the moment when Judge A. D. Weber slapped his hand upon Kelburn Banker Royal, the extremely popular summer yearling from Canada, and made him the International grand champion. Neither will they forget the thrilling moments as he sold through the International sale, falling to the \$9,100 bid of Alfred Miller, LoMar Farms, and Dr. A. H. Weiland, Elmcrest Farms. Largely on the strength of his popularity, 18 half brothers to Kelburn Banker Royal averaged \$1,740 in the first Kelburn sale the following September.

The best part of the story lies in his record as a sire, a record that even the most critical will not dispute. In the great Elmcrest and LoMar herds, he stamped a potent pattern known for their great heads, tremendous thickness, deep quarters, depth and fleshing. His many sons that have gone forward from these herds have continued the pattern. Parts of this record are discussed elsewhere in this catalog.

We will not attempt to guess at the thousands of dollars of his get that have been sold . . . one of the first calves paid for LoMar's entire interest. What does concern us is the inventory of his very best daughters that are today in the LoMar herd and will be sold in this dispersion. Whenever daughters of Kelburn Banker Royal have been sold, they have given a good account of themselves. Those who will draw from this treasure chest of 21 great producing young cows by him, will be starting families in their own herds, the influence of which will be felt for generations. Nothing can improve a herd quite as much on a lasting basis.

. . . Two of the Greatest Sires of the Last Decade

Cromleybank Ben Lomond

It was no easy matter to find a sire that could follow Kelburn Banker Royal. Cromleybank Ben Lomond was one of the most popular bulls ever to pass through the Mathers sale, where he was purchased for \$5,000 by LoMar Farms and Thorp Metz, Williamsville, Illinois. Possessing a perfect head, low set, level, thick and smooth, he has further locked into LoMar productions the beef type that is the goal of us all.

He possesses one of the most interesting pedigrees ever developed by Scotland's master breeder, A. J. Marshall. At the top are two crosses each of the great sires, Cruggleton Perfect and Cruggleton Willingdon. The first six dams are sired by Cruggleton Prince Bob, Cruggleton Willingdon, Cruggleton Perfect, Cruggleton Prince Favourite, Cruggleton Essander, and Collynie Royal Leader. Every one of these bulls was considered one of the best sires of his day. His dam is considered to be possibly the best cow ever sold by A. J. Marshall.

Despite the fact that he is still a young bull, and that LoMar has consistently offered some of his daughters at auction, they have twenty-three beautiful young daughters in the herd today. Many of them are out of Kelburn Banker Royal dams.

The reason there are not more bred heifers in this sale is that twelve LoMar bred yearling and two-year-old heifers were sold in the Metz Invitational sale last November for an average of \$408. Now you have an opportunity to buy the ones selected by Alf Miller earmarked never to leave LoMar.

The LoMar half interest in Cromleybank Ben Lomond will be sold in this dispersion. Bidding will be limited to those who live within a practical distance of the other owner, Thorp Metz, Williamsville, Illinois.

General Sale Information

Photo taken two years ago of replacement heifers by Cromleybank Ben Lomond. All are selling in this dispersion. Left to right, Lo Mar Clipper 25th, Lot 20; Lo Mar Clipper 20th, Lot 13; Lo Mar Marigold 3d, Lot 3; and Lo Mar Clipper 23rd, Lot 12.

TIME—Wednesday, February 19, 1958. The sale will start promptly at 12 noon C.S.T.

LOCATION—The sale will be held in the heated sale pavilion at the Illinois State Fairgrounds, Springfield, Illinois.

HEALTH—In compliance with the health laws, the cattle will be tested for T.B. and Bangs within 30 days of the sale. Interstate health certificates will be provided to out-of-state buyers. Calfhood vaccination of heifers has been practiced in the Lo Mar herd for many years under state supervision, and in the case of such vaccinated heifers that are under age they will either have passed a clean test or will sell on their vaccination certificates.

The LoMar herd is one of the nation's healthiest. On November 27, 1957 a test was made of the 71 head old enough to test. Not a single animal showed a reaction in any dilution.

GUARANTEE—As this is a complete dispersion, the cattle will be sold without guarantee. This is the custom in dispersions. The LoMar herd has always been highly productive and nothing but consistent producers have ever been kept. All of the facts we know about the cattle will be made known. Announcements from the auction block supercede information in the catalog.

LIABILITY—Although every precaution will be exercised to protect the safety and comfort of those attending, neither the owners of the LoMar herd, the owners of the sale facilities, the clerks, auctioneers nor sale manager can be responsible for any accidents that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk. The sale manager was retained for specific promotional tasks and has no connection with the handling of the cattle, the condition of the premises, errors in health papers.

TERMS—The terms of this sale are cash, unless arrangements are made in advance with the owner. All settlements are to be made with the clerk immediately following the auction and before the animals are removed. All stock will be at buyer's risk as soon as bid off, but we will assist in loading on cars or trucks in compliance with instructions from purchasers.

Where footnotes appear in the catalog, they were furnished by the owner or written from material supplied by the owner.

MAIL BIDS—Those wishing to buy at the sale who cannot be present themselves may send bids to the Sale Manager, Don Longley of The Shorthorn World, 16 So. Locust St., Aurora, Illinois; Kenneth Fulk, Secretary, American Shorthorn Breeders' Association, 7 Dexter Park Ave., Chicago, 9, Ill.; Joe Gossard, St. Louis Livestock Reporter, National Stockyards, Illinois, or to any of the auctioneers.

Auctioneers—J. E. Halsey, Des Moines, Iowa; C. D. Swaffar, Tulsa, Okla.; H. P. Miller, Danvers, Illinois.

Sale Manager—Don Longley, 16 So. Locust St., Aurora, Illinois.

Sale Headquarters—St. Nicholas Hotel, Springfield, Illinois.

SPRINGFIELD IS EASY TO REACH—by any means of transportation.

For further information contact the sale manager or Alfred Miller, Sharpsburg, Illinois.

LO MAR FAVORITE

Typical Son of the 1947 International Grand Champion

Kelburn Banker Royal

We purchased Kelburn Banker Royal for \$9,100 at the 1947 International in partnership with Elmcrest Farms. Our half interest was paid for when we sold one of his first sons, Lo Mar Favorite, pictured above, to Dr. W. D. Poston, Brownsville, Tennessee, for \$4,500. The first five calves by LoMar Favorite in the Poston herd paid for him. It pays to own good ones.

Twenty-one Kelburn Banker Royal daughters sell.

LoMar is a family proposition. Grace Miller, not only has an interest as a wife, but is an actual partner in the business. There is no more enthusiastic worker in Illinois. Here she is shown in the Illinois Shorthorn and Polled Shorthorn booth at the Illinois State Fair . . . a project which she organized. Left to right, Mr. and Mrs. Jerry Taylor and Pamela, Prairie City, Illinois. LeVoy Richmond, Taylorville, Illinois; and Mr. and Mrs. Alfred J. Miller.

The decision to disperse the LoMar herd was reached after many months of deliberation. Our Shorthorns have been prolific and we have never had any difficulty selling them at good prices. However, here on Haylands Farm, we operate a large level acreage, and with the exception of a few acres, practically all of it could be cultivated. We have always had the finest relations with our landlord, Stewart Brown, who, also is very interested in the herd, but for several years, because the land could be cultivated, the owners of the land have felt that they should charge the same rental for our pasture lands, as we pay for the land under cultivation. It is impossible to operate a beef cattle herd, when the cost of pasture throws the entire production cost out of balance. Thus, until we are able to acquire pasture, we must go out of the Shorthorn business. To add to our troubles, in 1956 our main barn burned to the ground and there are no plans to build adequate storage.

We feel sincerely our departure from the Shorthorn business will be of short duration. However, to us, a dispersion, that is not truly a complete dispersion, is really nothing more than an ordinary sale. Thus, we are selling every animal we own.

Down through the years, I believe we have been skillful enough to acquire the right females, keep the right females, and, as can easily be seen from the catalog, practically all of our herd traces to several outstanding cows. We have never bought herd bulls with the dollar sign in mind. We found, early, that the better bull we acquired, the more profitable our business became.

Naturally we are hoping for a good sale, but we are just as interested in seeing these daughters of Kelburn Banker Royal and Cromleybank Ben Lomond fall into hands that will use them properly. We are certain that wherever they go, they will be considered among the top producers.

Alf Miller

Larry Frank and two of the bull calves that will be sold at foot.

I came to the LoMar herd in September, 1956. I was raised on a purebred farm and have been with purebreds all my life. I have

never seen a herd that produced as rapidly as LoMar. From September 1, 1956 to September 1, 1957 we produced a 112% calf crop, which resulted from not only every cow producing a calf during this period, but from some that produced two. 93% of the females were settled on the first service.

We feel as certain as one can possibly be, that the cattle are safe in calf to the dates given in the footnotes.

Larry Frank
Herdsman.

Heifer calves by
Kelburn Banker Royal.

No breed has enough Alf Millers . . . men who have known Shorthorns since childhood and who have devoted their lives to the betterment of the breed. I am confident he will be back in the Shorthorn business again, and soon, although in fairness to the public, every single animal he owns will be sold in this dispersion.

The name Miller is rich in Shorthorn tradition. His grandfather founded the famous firm of Joseph Miller & Sons in Missouri, prominent down through the years in the showing, selling, and promotion of Shorthorns. The sons of Joseph Miller and his grandsons are carrying on the family traditions.

About thirty years ago, Alf Miller left the family farm in Missouri to work as herdsman for the famous Haylands herd. In this capacity he followed such former Haylands herdsman and managers as Les Mathers, Allan Atlason, and Rube Scott. When the Haylands herd was sold, Alf stayed on leasing Haylands Farms and developing his own Shorthorn herd, LoMar, in partnership with his father-in-law, Albert Black.

Not only are you buying a great herd of cattle . . . each individual of which can stand on its own merits . . . but in this dispersion you are purchasing a lifetime of skill and devotion to the Shorthorn cause.

CROMLEYBANK BEN LOMOND—The great breeding bull purchased by LaMar Farms and Thorp Metz, Williamsville, Illinois, in the 1952 Mathers Sale for \$5,000. One of the best imported sires in America today. His pedigree needs no comment. It is a blend of the very best breeding bulls used in the A. J. Marshall herd in Scotland. With just one exception, every animal in this pedigree was bred by the master breeder, A. J. Marshall. Many consider his dam the best female ever to be sold by him. In this dispersal, we will sell our half interest in this bull, but bidding must be limited to a reasonable distance from the other partner, Thorp Metz, Williamsville, Illinois. This bull is in the prime of life, very active and a sure breeder. He is in good breeding condition.

LOMAR BEAUTY 15th—Another grand cow from our prolific Beauty family. She was a member of the first prize junior get-of-sire at the National Shorthorn show at Memphis in 1950. She also produced the champion Shorthorn steer in the 1956 Land of Lincoln Show at the Illinois State Fair. She is also the dam of LoMar Ben Lomond that heads the herds of J. R. Miller & Bert Burns, Maria, Ill. Bred May 27 to Cromleybank Ben Lomond.

This group of heifers was sold by LoMar in the 1955 Metz Invitational Sale.

LOMAR CLIPPER 12th—Open.

Ten head group shown by Dr. W. D. Poston, Brownsville, Tennessee, at the 1956 National Shorthorn Show, Memphis. Most of these are sired by LO MAR FAVORITE, the bull that has made the Poston herd the number one competitor on the Southern show circuit. Sons and daughters of LO MAR FAVORITE, have led the Postons to many championships at the Mid-South Fair, Tennessee State Fair, Alabama State Fair, Mississippi, Louisiana, Atlanta, as well as many champions and top sellers in the Tennessee Association show and sale. We sold LO MAR FAVORITE to Dr. Poston for \$4,500.

STUDY THE RECORD . . . of the SONS of KELBURN BANKER ROYAL

Not only did Kelburn Banker Royal win the highest honor that can be accorded a Shorthorn bull in the show ring . . . the International grand championship . . . not only did he enjoy a long and outstanding record as a sire of both bulls and females . . . but his sons are breeding equally as well. This is one of the most potent lines in the Shorthorn breed today.

Our experience has shown that daughters of Kelburn Banker Royal are breed improvers, also. This sale affords the only opportunity that ever has, or will be, offered in which you can acquire a sizable number of Kelburn Banker Royal daughters.

From left to right, Elmcree Royal Banker, grand champion bull, 1951 Missouri State Fair, and sire of many winners for Jess Smithers & Son, Pittsfield, Ill., who bought him for \$1,225; Elmcree Royal Leopold, sold in the 1951 International Sale for \$1,350 to Springer Bros., Hopedale, Ill.; and their sire, the 1947 International grand champion, Kelburn Banker Royal. We owned Kelburn Banker Royal in partnership with Dr. A. H. Weiland, Elmcree Farm, Pawnee, Ill.

Twin Valley Lo Banker, grand champion Shorthorn steer, 1955 International junior show. A grandson of LO MAR BANKER, son of Kelburn Banker Royal used in the C. E. Stewart herd, Rose Hill, Iowa. The LO MAR BANKERS played a key role in making the Stewart herd one of the most highly regarded in Iowa.

LO MAR ROYALIST. This smooth, thick son of Kelburn Banker Royal was sold in 1955 to White Plains Farm, Mountville, South Carolina. His first calves are considered among the best in the Southeast. His dam sells as Lot 31.

Leo Miller, Danvers, Illinois, showing their LO MAR ROYAL, son of Kelburn Banker Royal. After winning many championships, this bull made a great record in the H. P. & Leo D. Miller herd. We sold LO MAR ROYAL to the Millers for \$1,850 in the 1951 Blue Grass Futurity Sale.
